Tuesday 21st May

Montessori Parent Education Evening

Wednesday 26th June,
6:00 to 7:00pm

Last day of Term 2

Friday 5th July

Term 3 begins

Monday 22nd July

“Respect all the reasonable forms of activity in which the child engages and try to understand them.”

Maria Montessori

A warm welcome to our returning families, and a special welcome to the families who have joined Montessori @ Bellevue this term. We hope everyone has settled in well to Term 2.

Supporting your child

It is always helpful when you let the teachers know if something is going on that may impact your child emotionally, like the death of a family pet or a parent working away from home for an extended time etc. Sometimes children act out or project onto others when there are changes in their world. A quick text or email to your child's key teacher is sufficient. If the teachers are informed, then they are in a better position to support your child in the most appropriate way.

Maria Montessori Birthday celebrations

TMET look forward to celebrating Maria Montessori's birthday in August. We love to celebrate by getting involved in community initiatives - if anyone has any ideas please email Leanna at leanna@tmet.org.nz

Contacting teachers on their cellphones

Please be aware that the teachers do not always check their cellphones during school time. If you have an important message for your child, it is best to ring the school office and ask to be transferred to your child's room. The teachers are busy with their classes, so they would appreciate it if you could ask for your child to come to the phone so you can give them the message directly.

Bellevue School phone number: (07) 576 5916

A special welcome to Domini

TMET and the staff of Montessori @ Bellevue are delighted to have Domini as a fabulous addition to the team. Dom works five mornings as a teacher assistant, and you will find her between the five classrooms. Dom is also mum to Cole, who is in Claire's classroom.

Parent Education Evening

Come along to our Parent Education Evening on Wednesday 26th June at 6:00pm in the Junior Montessori classrooms. This will be a fun, informative evening, and there will be Montessori 'work' stations set up for everyone to see and get involved in. You and your family will have the opportunity to learn more about some of the Montessori materials and work.

Kids Can Ride for Room 16 and 17

From the 27th to the 30th of May, the senior school will be participating in the Kids Can Ride safety programme for bikes. Children must bring a helmet to participate, and they should check that their bike is in good working order before the programme starts.
